AURORA PIONEER DIES

C. Jochimsen, a pioneer miner of the Aurora district, died recently at his home in the famous old camp. He was a resident of Aurora for 40 years and was well known among the mining men of that district. No relatives are known in this country out he has a sister living in Denmark. The pioneer was 80 years of age.

REALLY SOMEWHAT COOL

The thermometer this morning at sunrise registered 18 degrees, the same temperature as was shown yesterday morning at this hour. This is the record for the season and is strikingly in contrast with last year, when the record at this time was 40 degrees.

SEVEN FEET GOOD ORE NOW SHOWING

MATERIAL IMPROVEMENT IN ONE OF THE WORKINGS OF THE JIM BUTLER PROPERTY

No changes worthy of note have taken place during the past week in the Wandering Boy workings of the Jim Butler Mining company. The tonnage and values continue the same and no new work has been undertaken.

In the Desert Queen workings of the company the best development is in the 618 raise, which now is showing seven feet of a good grade of ore. The ledge has been followed for some time, but hitherto it has shown a width of only about four feet. In the 506 west drift the ore body is now 4 1/2 feet in width. Manager Pike has undertaken no new work during the past week.

FORD INTERESTED IN NEVADA COLONIZATION

The Carson Appeal is authority for the statement that Henry Ford, the auto manufacturer, has become interested in a Nevada colonization scheme. The Appeal says:

Judge W. W. Griffin returned yesterday from a two weeks' business trip to San Francisco and other California points, where he had gone in response to a telegram from Henry Ford.

Judge Griffin states he had a very satisfactory conference with Mr. Ford in relation to colonization propositions in which he is interested, and that Mr. Ford and his eastern associates will in a very short time interest themselves very materially in the promotion of these projects, which are located in and around Nevada and this section in particular. The preliminary steps have already been taken and Judge Griffin fully expects that some very important enterprises will be launched at no late date, and it goes without saying that plenty of capital will be available for the undertakings, as Mr. Ford and his associates do not go into anything in a half-hearted way. All they need is to be shown where good profitable investments can be made.

RENO HOMES QUARANTINED

The quarantine law will be rigidly enforced, according to advices from Reno, where a scarlet fever scare prevails. The head of the board of health has announced that violations of the law will bring down on the heads of the guilty parties, whether laymen or doctors, a penalty which will be an example to others. The situation at Reno is serious and is due to the carelessness of the attending physicians in most cases, according to the Reno board of health.

MISS DAVIS STILL LEADS IN CONTEST

There is a big prize, offered by the Nevada Film company of Tonopah, for the young lady who receives the most votes in the contest being conducted through the Bonanza. She will be the film star and furthermore receives a gift of stock in the company saleable for \$1000.

Following is the list of entries and the number of votes cast for each. Clip the coupons from the Bonanza. It costs nothing to go to the polls. Address the envelopes containing the votes, to the company:

| | |
|----------------|------|
| Isabel Davis | 3250 |
| Eleanor Malone | 2150 |
| Addie Murphy | 1000 |
| Edna Sullivan | 350 |
| Frances Hickok | 100 |

A QUIET PAYNIGHT

There were none of the usual pay-night ructions last night. No calls were sent in to the police station. One solitary drunk graced the tanks this morning.

ALL CONTESTANTS FIT FOR THE FRAY

BOXERS ARE EASING DOWN IN THEIR TRAINING FOR THE BIG FIGHTS

All the contestants for the coming boxing show are reported to be fit for any kind of milling and a grand show is on hand for the Tonopah fight fans Friday evening, November 12, when the Business Men's Athletic club will stage two ten-round main events at the Airdome between four of the classiest boxers in the state, Jack Bratton and Bert Wagner declared today that their hard training is over and that they are glad of it. The two Tonopah sluggers look to be right on edge, and it can be easily seen that they are anxious to hear the gong that will send them against their Goldfield opponents.

Danny Mathews, the Goldfield bear cat, has worked himself into the best of condition for Wagner, whom he meets in the first event. He realizes he is up against a tough proposition, but isn't worrying any over the outcome of the battle. Mathews hasn't lost a fight for so long that he believes himself unbeatable, but in Wagner he meets a boy who is liable to beat any of them. Bert can punch and is also fast and clever. This fight should be a hummer as the two lightweights are evenly matched.

The other event should be as good a fight as any seen here in many months. Jack Bratton, who meets Eddie McAuliffe, is a clean fighter with the punch of a middleweight. Jack always tries his best and the fans know it. Many a fan who doesn't like Jack's fighting couldn't be induced to place a small bet against him as the latter is one of the few boxers in the ring today who can win a fight in a punch. McAuliffe believes he has Jack's number and that he can beat the latter at any time. Eddie is a pretty good boy, much better than he has been given credit for. His record shows it, and it is the writer's opinion that those who believe he will be easy for Bratton are badly mistaken.

A large number of ringside seats have already been reserved and a large crowd will undoubtedly be on hand. Goldfield fans have reserved a whole section of seats and Harry Grier, who returned from Goldfield this morning, said today that it least fifteen automobile loads of fans will motor over from the gold camp.

Mike Syufy was agreed upon by the contestants and club members as referee. Mike has fought a large number of ring battles and knows every stage of the game. The boxers will weigh in Friday at the Colwell bar at 4 p. m. sharp.

N. B. COOL is a visitor from Manitou, Colo.

B. B. RIDDICK is over from Goldfield on a business errand.

W. H. MORELAND of Denver is registered at the Mizpah.

H. J. COOK of Ottorman, Iowa, is registered at the Mizpah.

GEORGE A. KERNICK was over from Goldfield by auto yesterday.

R. S. TITLOW, auditor of the Tonopah & Goldfield railroad, had business in Tonopah yesterday, returning by auto.

ED CLIFFORD, one of Nye county's most substantial citizens, is in from his Stone Sabin home. He is accompanied by his daughter.

MRS. K. J. ONG, who had been visiting her son and daughter-in-law, Mr. and Mrs. Finley J. Ong for the past week, returned this morning to her home at Millers.

MURRAY SCOTT TELLS OF NEW STRIKE AT LINCOLN

Murray Scott, who is operating in the Alpine range of mountains, about 40 miles south of Fallon and 14 miles east of Wonder, is visiting in Reno. Scott is a discoverer of the Wonder, Awakening and Copper Canyon, and is considered one of the most successful mine finders in the west. His latest discovery is that at Cold Spring canyon, on what is known as the Williams ranch, near East Gate. This, according to Scott, has all the earmarks of a big mine.—Standard.

PIE SOCIAL

Pie, like your mother used to make, possibly even better, will be served at the pie social to be given by the Fraternal Brotherhood this evening in L. O. O. F. hall. There will be dancing after the refreshments, so that no indigestion can possibly result.

INTEREST IN CLUB

Despite the lateness of the season the Tonopah Rifle club members are still manifesting great interest in the organization. There are several members who will hold a turkey shoot before Thanksgiving. On all pleasant days they are holding shoots.

AMUSEMENTS

BUTLER THEATER

The feature at the Butler tonight will be a World Film production in five parts, starring Clara Kimball Young, a great Tonopah favorite and a charming actress, in "Marrying Money," the smart story of society life by Washington Pezet and Bertram Marburgh. The story relates how a girl is duped by her family to marry a rich count, who, however, turns out to be the possessor of nothing more valuable than his title. Marrying to order is not really the girl's own conception of her mission in life, and she falls in love with a young fellow, Ted, impersonated in the photo-play by Chester Barnett, who hasn't a cent to his name. The young couple are perfectly happy with each other, however, and an agreeable surprise awaits them in the news that after all Ted comes into a rich inheritance, so that Mildred finally succeeds in "marrying money," and love as well. The part gives Clara Kimball Young an opportunity of displaying her rich comedy gifts to perfection, and all will be anxious to see her. It will be remembered that when she was Clara Kimball, she played with a company in the old Butler theater when it was located on the corner, and has since that time become a very talented and popular screen artist. The preliminary reel will be a Selig Wild Animal picture, enjoyed by the old and young alike.

Tomorrow, "The Song of Hate," with Betty Nansen, the actress who speaks with her eyes, and sheds real tears when the occasion requires. This is a picture of unusual merit.—Adv.

WILL GIVE ANNUAL DANCE

Mizpah lodge, No. 25, Knights of Pythias, will give its annual dance on Thanksgiving night in the Airdome.

Dr. W. E. Taylor The Optometrist

of Reno is now in Tonopah at the Golden Eagle Hotel.

An opportunity to consult a specialist if you are having trouble with your eyes or glasses. If others have failed to give you proper glasses, consult Dr. Taylor. Entire time devoted to the study and practice of Optometry. Special attention given to children and the development of weak eyes. Cross eyes straightened without drugs or operation. All work guaranteed. Latest styles in lenses, frames and mountings. Any lens duplicated.

DEFIES THE FROST

Now that winter is coming on apace, Lumbermen have discovered a way to thwart the chill of Jack Frost. It is by using a Majestic. This is an electric heater that really heats. The current must be turned off at frequent intervals, for it really heats too much, possessing features that electric heaters in the past did not have, one of which is the ability to turn the glow in any direction desired. Furthermore it is portable. It is also neat in appearance and doesn't occupy much space. The cost of maintenance is light. For a demonstration phone to the Tonopah Electric and Tire company. This heater is on exhibition at the exposition in San Francisco, and is truly marvelous in heating results.

HANDSOME ORE SHIPMENT MADE FROM EAGLEVILLE

W. A. Woodruff, Thomas Kenyon and W. S. McCracken came in from the famous old camp of Eagleville last Thursday with two big teams loaded with 15 1/2 tons of ore, the results of the work of the past two months. This shipment will be followed very shortly by another larger and even better, says the Standard.

The present shipment sampled \$114 in gold and carried \$1.64 in silver to the ton, and was sold to the Western Ore Purchasing company at Hazen. The shipment netted the fortunate owners something over \$1400.

WILL SHORTLY RESUME

The Tonopah East End Mining company expects to resume operations within the next month. It is now engaged in replenishing its treasury. When it starts work it will be with two and possibly with three shifts.

ARGUED AND SUBMITTED

Motion and demurrer in the case of A. E. Venton versus J. R. Lane were argued and submitted today in the district court.
